## THE PARISH AS ONE BODY

*"If the whole body were an eye, where would the hearing be?  
If the whole body were hearing, where would the sense of smell be?  
But as it is, God placed the parts, each one of them, in the body as he intended...  
The eye cannot say to the hand, 'I do not need you,'  
nor again the head to the feet, 'I do not need you.'  
Indeed, the parts of the body that seem to be weaker are all the more necessary.  
Now you are Christ's body, and individually parts of it."* (1 Cor. 12:17-25)

The Seven Essential Elements of Parish Life constantly interrelate,  
each nurturing and supporting the other with the communal celebration of Sunday Eucharist at the center.

## A NOTE FROM FR. MIKE

Still trying to complete the parts of the Mass, let's continue with this exciting installment. Last time we finished the Creed and the Prayer of the Faithful. Onward, Christian Soldiers! We used to call the part of the Mass after the Prayer of the Faithful the Offertory. Today it's called **the Preparation of the Gifts**. It's quite simple in its theology; the real offertory of the Mass occurs in the Eucharistic Prayer. The real sacrifice is the sacrifice of Christ. It is Christ who offers himself; we join in that Great Sacrifice as we pray the Eucharistic Prayer.

What is our action at the time of the Preparation of the Gifts? Easy answer really, we are preparing for the act that is to come, the Feast of the Table of the Lord. The Preparation of the Gifts is that time of prayer and action between the Liturgy of the Word and the Eucharistic Prayer. It is during this time that we prepare ourselves and the table for the Feast of the Eucharist.

Notice the procession to bring the gifts to the altar. This time of the Mass has both a practical manner and a spiritual quality about it. It is the practical matter of bringing the bread and wine and the collection to the altar. It is also the way we are preparing for entering into Christ's sacrifice. Those who bring the gifts represent all of us. As the gifts are brought up, so are the hearts of the faithful raised up to the Lord of life and love. **Our willingness to share in the sacrifice offered on the altar must be made real.**

The Preparation of the Gifts rite also includes the collecting of the gifts. It's that time of the Mass when the ushers – hospitality ministers or as Garrison Keillor calls them; “The Herdsmen” – come around with that darned collection basket. Try to explain the collection to a young person. Is it the price of admission? Is it to cover the cost of the quality of the music and preaching? Keep attempting to give a good answer. Be sure you understand, perhaps the best teaching will be a generous action on your part! (Just trying!)

Truthfully, the collection of money is absolutely essential to keeping the parish going. The practical value of the collection of money is obvious! It is from your weekly contribution that parish budget is formed so as to provide programming for the parish, pay its employees and various operational bills. To be regular in contributions many parishioners use “electronic giving” methods. Please consider using this opportunity. To begin or to check on (increase – just trying!) your on-line giving by visiting the parish web-site; [stjulianachurch.org](http://stjulianachurch.org) and scroll to “giving on-line.”

Seriously, the collection of money has more than practical value in the Mass. It goes beyond the goal of meeting the annual budget. Remember that it takes place during the Mass, specifically during the Preparation of the Gifts part of the Mass. Notice, the collection of money is brought forward with the bread and wine. The collection of money has something to do with preparing ourselves to enter into the sacrifice of Christ.

Money is a powerful symbol of ourselves. The process of getting money, spending money, saving money, and investing money tends to dominate our lives. So, when we give money to God and His causes we express our willingness to give ourselves to God.

What we give in the collection is a symbol of what we have to offer to God. It is offered as a reminder that everything we own

is a gift from God. Our gift in the collection is both a sign and symbol of our gratitude and our readiness to enter into the sacrifice of Christ and God's love for us. Our contribution reminds us that what we own is a gift from God.

The General Instruction of the Roman Missal #73 speaks of the collection of money for the Church and for the poor. We need to remember that our gifts must do more than ensure the bills of our parish are being paid. Some of our collection must also go to the poor so that we obey the Lord's command to “give to the least of our brothers and sisters.”

Essentially, two words are important. They are first: liturgy, which means the work of the people. And Eucharist, which means thanksgiving. It is our work to give thanks to God for all that He has done and all that He continues to do for us.

During this week of Thanks-giving let us return thanks to God for all the good that He has bestowed on us. Not doing so would make us rather mean-spirited, selfish children of LOVE itself. We cannot say that we are ignorant of God's gifts. Our work is the work of returning thanks. How shall we make a return to the Lord for all the grace, that is love, He has given to us? That, my dear friend, is your and our work. Let's get busy. If not now, when?

## A NOTE FROM TODD HELM - MUSIC DIRECTOR (ADVENT MUSIC)

Advent is one of the richest musical seasons of the church year. Even though the stores have been playing Christmas music since October, Catholic tradition maintains that Christmas begins December 24. We use the time of Advent as preparation for the Christmas season, and we hope to encourage this sense of waiting and anticipation through the singing of some of the most beautiful hymns in our repertoire.

We will be singing the Chant Mass, in Latin, throughout the Advent season. It is important for us to remember our Catholic musical heritage, and most importantly the tradition of Gregorian chant.

When I selected the music for the next four weeks, I attempted to offer a mixture of the old and the new. Included will be some of our most traditional hymns - "Creator of the Stars of Night" based on 9th century plainchant, "Come Thou Long Expected Jesus", composed in 18th century, and "People Look East", based on a traditional French carol from the Renaissance. Newer songs will include "Emmanuel", "Ready the Way", and "God is Light" - all songs written within the last several years by current composers. On the 4th Sunday of Advent, we will sing as an Entrance Chant the first 4 verses of what is arguably the most popular and well-known Advent hymns - "O Come O Come Emmanuel". After we hear the story of the Annunciation in the Gospel reading we will sing the beautiful old Basque carol "The Angel Gabriel". We will end this celebration with the concluding verses of "O Come O Come Emmanuel", including the beautiful 7th verse which prays that the coming of Christ will "bind in one the hearts of all mankind".

Rest assured the Christmas Carols will arrive with great fanfare on Christmas Eve - and will continue being the center of our musical liturgy through the middle of January and the celebration of the Baptism of Our Lord. Until then, I hope that you will embrace the beautiful music of the Advent season by fully participating in our congregational singing.

Thursday, November 27th at 9am

In Thanksgiving, join us for Mass. Bring your holiday bread & wine to this special liturgy to be blessed. *(Note: One Mass only at 8am Fri., Nov 28th)*

## ADORATION

Tuesday, December 2nd is our Parish Day of Adoration. Adoration will begin following the 8:00am Mass on Tuesday, and continue until 9:00pm. All parishioners are invited to spend time in adoration of Our Lord in the Blessed Sacrament. The Knights are at the adoration clock in the vestibule to help you schedule a time to ensure that our Lord in the Blessed Sacrament is not left unattended.

*Adoration is now in the Church, not the Children's Chapel.*

## GIVING "ON-LINE"

In looking at the "Sharing Our Treasures" report on the next page, have you ever wondered how 45% of our parish community donate through electronic giving? As Fr. Mike noted in his article this week, simply go to the parish website at [www.stjulianachurch.org](http://www.stjulianachurch.org) and click the blue box titled **ON-LINE GIVING**, the process is easy to follow. Register and begin on-line giving today! It's a lot easier than remembering your checkbook. Consider end-of year tax deductions and charitable giving as the 2014 year comes to a close. We are most gracious for your generosity.

## CATHOLICISM 101

The Feast of Christ the King was established by Pope Pius XI in 1925 as an antidote to secularism, a way of life which leaves God out of man's thinking and living and organizes his life as if God did not exist. This culture has grown to be part of the fabric of our human experience and in this day in age cannot simply be cast aside. This feast is intended to proclaim in a striking

and effective manner Christ's royalty over individuals, families, society, governments, and nations.

## HOLY FAMILY SERVICES ADOPTION & FOSTER CARE

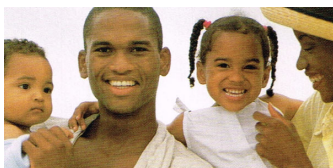

SPECIAL CHILDREN...NEED SPECIAL FAMILIES  
Holy Family Services will be with us **November 30th** with information about the oldest, private, non-profit, faith-based adoption agency in Southern California.

In the US today, there are 400,000 children in Foster Care, and of that number, 56,000 of the children are here in California. This shows the urgent need we are in to create homes for kids. Please search your heart for God's plan and plan to meet a representative while they visit our parish the end of the month.
