VISION & MISSION STATEMENTS

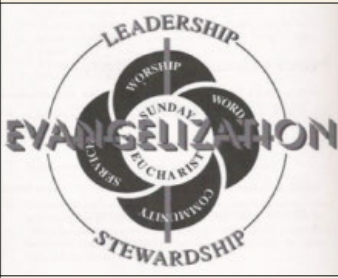

The vision of St. Juliana Falconieri Catholic Community is to live as a people of God with Christ at the center of our lives through liturgy, faith formation and community.

Our mission is to be a welcoming family dedicated to proclaiming the gospel, celebrating the Sacraments, educating, serving, and providing opportunity for all to enrich their faith.

Order of Friar Servants of Mary United States of America Province

THE PARISH AS ONE BODY

*"If the whole body were an eye, where would the hearing be?
If the whole body were hearing, where would the sense of smell be?
But as it is, God placed the parts, each one of them, in the body as he intended...
The eye cannot say to the hand, 'I do not need you,'
nor again the head to the feet, 'I do not need you.'
Indeed, the parts of the body that seem to be weaker are all the more necessary .
Now you are Christ's body, and individually parts of it. "* (1 Cor. 12:17-25)

The Seven Essential Elements of Parish Life constantly interrelate, each nurturing and supporting the other with the communal celebration of Sunday Eucharist at the center.

Live The Liturgy Inspiration of the Week

Jesus warns us that unless we eat the flesh of the Son of Man and drink his blood, we do not have life within us. The Eucharist is the wellspring of our Christian life, in every place and in every moment. Let us always remember that where there is no Eucharist, there is no life.

Saint of the week

St. Charbel Maklouf (1828–1898) was a Maronite monk and priest who lived much of his life as a hermit. He was renowned for healing, casting out demons, and levitating during prayer. Millions have visited his tomb and sought and received his intercession, even those of other faiths.

Prayer of Eucharist

Dear Lord,
May our congregation be more deeply assured of Your love each time we receive Communion.
May our "Eucharist" make our lives a song of worship and thanks, sung to You.
May this sacred food nourish us to be bold and brave disciples of You.
Amen.

NEWSLETTER

AUGUST 5, 2024

Greetings dear Friends,

I admit that these updates tend to come far in between... however, St. Isidore works and my main ministry as chaplain at the college, are progressing well. In this issue, I wish to report on what we have accomplished, ongoing projects, and what we have learned. Firstly, I want to thank you immensely for your ongoing support, both financially and spiritually to facilitate the success of this ministry!

St. Isidore Next Generation Foundation (SING) started as back in 2017 a small charity arrangement, later we added some elementary community farming to provide work, food, and protein to the local community of Kakubansiri village, Gomba district – Uganda. Within the last two years it has now expanded into a significantly bigger charity Foundation with its own 501c3 (87-4488255), committed to Education of our young, youth empowerment and skills training, rural community development by providing clean water and electricity, community engagement in climate protection activities, and outreach to the vulnerable elderly.

From the Desk of Fr. Raphael

St. Isidore Foundation currently sponsors tuition for 50 students: 20 in Elementary, 20 in high school, and 10 in college.

Youth leadership Camp/retreat: This year in April we hosted over 100 youths at the farm for three days for a leadership and life skills camp. This is the third time doing this, and each year it gets bigger, intense, and more meaningful.

SUCCESS & GROWTH

STUDENTS CENTER

In the summer of 2022 we embarked on the construction of our Students Center. At this point we have spent approximately \$200,000 for the construction and furnishing – functional with electricity and running water. I am happy to report, that while it's not entirely complete, we have started using it for retreats, camping, and mentorship trainings. We are currently working on paving the outdoor grounds, and a larger set of washrooms.

TRACTOR

Most of us here remember the tractor campaign three years ago! Our tractor is in excellent shape and has continued to do wonders for our farm and the surrounding villages.

Within the last year May 2023 – Dec, we constructed a new coop. This has enabled us to expand our poultry program to almost 10,000 birds!
Electricity: In December 2023, we finally managed to bring hydroelectricity to the center. This has breathed new life to the center and made our activities so much easier than it has ever been.
Other Successes: Our pigs are doing quite well. We have fully recovered from the last swine fever that devastated us two years ago. We currently have 41 pigs, 60 goats, 9 cows, and a thriving bees project that provides honey and pollination for our crops. Regarding the crops, we have expanded our coffee garden from five to ten acres this year. We grow beans, maize, bananas, lemons, and have about 150 fruit trees including mangoes, jackfruit, and papaya.
